

COVID-19 UPDATE

Team Auto is committed to providing a safe and healthy work environment for our people, our customers, and their families. We've implemented protocols to ensure our staff utilize the necessary precautions to protect both themselves and those around them. Some of the recommended safety measures our teams are using include frequent handwashing, social distancing, and self-isolation in the event of sickness or travel from outside Canada.

Team Auto is open and ready to serve you during regular business hours. We continue to offer local and national shipping.

We look forward to continuing to provide you with quality parts in challenging times. Stay safe and healthy.
